PROJECTS

Listening Party:

- A music app that allows you to join/host a room and build a playlist with your friends, family, or strangers and listen to music together.
- Built on NERDS stack.
- Contributions include: UI/UX design using React-Bootstrap + CSS, database design, and proof of concept for streaming audio using Spotify API + Web SDK player using Socket.IO.

[...Sports]:

- A mobile app that averages NBA game spreads + user preferences to determine which basketball game would be most interesting to watch on a given game day.
- Built with React Native and "TheRunDown" sports API.
- Contributions include: front-end planning and UI/UX design using React-Native-Elements.

GraceShopper:

- A mock Ecommerce website populated with 1000 users and products with functional cart and checkout.
- Built with NERDS stack and Stripe payment API for checkout.
- Contributions include: helping with database design, catalog search, order processing and reviews, adding/editing products feature, and helping create the cart using PostgreSQL and Sequelize.JS.

EMPLOYMENT HISTORY

Notre

Intern Summer 2015-2017
Notre is a small-medium sized menswear and womenswear boutique that specializes in high fashion clothing, footwear, and homegoods.

2017:

- Conducted research and developed Notre's search engine optimization program and strategy.
- Developed both the Google Analytics and Google Adwords accounts as well as the SEO best practices followed by the Ecommerce team.
- Integrated SEO work with Shopify plugins and services.

2016:

- Accompanied the buying team in New York for the Spring/Summer 2017 merchandise buying trip and in writing merchandise purchase orders.
- Worked extensively with Shopify in order to maintain/update the Notre web shop on the front-end and back-end.

2015:

- Used Shopify extensively in order to manage and fulfill orders and maintain the Notre webshop on both the front and backend.
- Assisted the buying team in writing purchase orders for Spring/Summer 2016

Golden Country Oriental Foods LLC

Intern Summer 2013
Golden Country Oriental Foods L.L.C. is a medium-large sized import and export wholesaler that specializes in Asian, Caribbean, and African foods and drygoods.
- Assisted the sales team in product sales
- Maintaining backend stock using Golden Country's custom inventory system
- Designing the weekly promotional pamphlets and flyers.
